

Red River National Wildlife Refuge

NATURE TOTS Family Preschool Program

- The Nature Nuts Program is for families with children ages 3 - 6. Adult or guardian must attend with their child.
- We introduce children to nature through stories, puppets, and song. We explore nature by walking the Refuge's trails, looking for clues, playing games, and making natural crafts.
- We meet at 10:30 a.m. on the first Saturday of each month; except we don't meet in January or July.
- Program length of about one hour. We will go outside, rain, mud or shine so dress appropriately and/or bring a change of clothes.
